2. ENROLMENT PROCEDURES

Make sure your enrolment as a student is completed. You will find more information in the enrollment package. For more information please contact the Administrative Service Center: asc@codarts.nl.

3. PLACE TO LIVE

Rotterdam is becoming more and more popular and there is a big shortage in housing for both students and local residents. Therefore we strongly recommend you to find a place to live as soon as possible to avoid stress and disappointment. Make sure to start your search already around May/June! There's hardly a campus system in the Netherlands and students are responsible for their own housing.

Find more information and tips about how to find a place to live on <https://www.codarts.nl/en/practical-matters/practical/housing/>.

For questions contact our student counsellor: decaan@codarts.nl

4. LANGUAGE

To participate in a program given in English at Codarts you have to hand in an IELTS certificate (level 5.5) or a comparable TOEFL certificate. If you cannot hand in a valid certificate or have exemption you are obligated to take part in the Codarts English language test in the beginning of September. Depending on the outcome of the test you are obligate to participate in the Codarts English language course. The date of the English course will be published in September.

The following students are exempted from the English language requirements:

Students who:

1. have followed their previous education in the English language and can hand in:
 - the European Baccalaureaat taught in English with a sufficient mark for English;
 - the International Baccalaureaat taught in English with a sufficient mark for English;
2. have successfully completed their secondary or higher education in a country where English is the first language in education (Australia, Canada, Ireland, New Zealand, the United Kingdom and the United States);

3. have a pass mark for English on a diploma that is listed in the Nuffic Diploma List of one of the following countries: **Belgium (Flanders), Denmark, Estonia, Finland, Germany, Hungary, Latvia, Lithuania, Luxembourg, Norway, Austria, Romania, Slovakia and Sweden**
4. have acquired a diploma of MBO-level 4, HAVO or VWO in the Netherlands.

Note! The Administrative Service Center of Codarts decides if the acquired diploma satisfies the conditions for exemption of the English language requirements.

After arrival in the Netherlands

5. RESIDENCE PERMIT

See in step 1 which requirements apply to you. Contact International Office within one week after arrival in the Netherlands. The International Office will let you know when your residence permit is ready for you and where you should pick it up. After you receive your residence permit card, make sure you make a copy of both the front and back and give it to STIP.

6. DUTCH BANK ACCOUNT

After you have found a place to live in the Netherlands, you can open a Dutch bank account for example at the ING bank (several places in centre of Rotterdam) or at the ABN AMRO bank : [Student Package - ABN AMRO](#). For opening a student bank account you need to provide the following:

- a proof of enrollment to Codarts (via ASC / STIP);
- your passport;
- a Dutch address
- BSN number (you will get it after registration at the municipality in the Netherlands)

Please notice that if you're under 18 years old, you need your parents or guardian with you to open a bank account.

If you have questions about this, please contact Codarts International Office international@codarts.nl.

7. MEDICAL INSURANCE

Medical treatment in the Netherlands is not for free. By law it is mandatory to have health insurance. Codarts strongly recommends (new) students to take out a good and complete insurance through AON: www.aonstudentinsurance.com or ITS: www.insuretostudy.com . Not sure what insurance you need?

Fill out this questionnaire: <https://sg.aon.nl/s3/StudentMobility-Codarts> questionnaire for advice.

For more information about insurance and studying in the Netherlands you visit <https://www.studyinnl.org/> .

In need of advise on this matter: contact our student counsellor: decaan@codarts.nl

8. REGISTRATION AT THE CITY HALL

Codarts will organize two group appointments with the city hall. You can register for one of them during the kick off week OR you have to contact the city hall (www.rotterdam.nl) to make your own appointment.

Required documents:

- passport;
- statement of enrolment from Codarts;
- copy of your residence permit;
- your rent contract or tenancy agreement (tenancy agreement form to get at Codarts international office) + photocopy of the landlord's passport.

Please note: To live in certain neighborhoods in Rotterdam you need a **housing permit** (HVV). Read more on: <https://www.rotterdam.nl/loket/huisvestingsvergunning/>.

9. BSN NUMBER (security number)

After the registration in the City Hall you also receive your BSN-number (security number). Please see step 8 for the required documents. You will need this number to be able to open a Dutch bank account and in case you would like to work.

10. WORK

You will receive your residence permit exclusively as a student, which means that you are not allowed to work regularly for money, except for students from most EU/EER-countries.

However: non-EU/EER-citizens can work *maximum 16 hours per week* or full time during the months June-July-August, and in all cases the employer needs to apply for a working permit through the Central Organisation for Work and Income (in Dutch: UWV). Working while studying means that you are **obligated** (by the Dutch law) to take out **basic health care insurance**. For more information about insurance contact our student counsellor (decaan@codarts.nl).

Declaration of intent to undergo a TB test

Attachment 4

Click [here](#) to download the form 'Declaration of intent to undergo a TB test' in pdf.

Appendix Declaration of intent to undergo a TB test

In order to obtain a residence permit, you (or the person you represent) must be prepared to undergo a tuberculosis (TB) test and - if necessary - treatment. If you submit the completed declaration of intent to undergo a TB test to the IND together with your application (and also meet all other conditions), the IND will grant you a residence permit as soon as possible.

You are granted this permit under the express condition that you will actually undergo a TB test within three months after having received your residence permit. Should it become clear after the issue of a residence permit that - despite signing the declaration of intent - you failed to undergo a TB test within the period of three months, this may result in a cancellation of the permit that was granted.

Enclose the completed and signed declaration of intent with your application before you make an appointment with the Municipal Health Service. In doing so, you declare that you are prepared to undergo a TB test; and, if necessary, TB treatment. For the appointment with the Municipal Health Service, you must complete the referral form as much as possible (part 1) and take it with you.

The obligation to undergo the test does not apply if you are a national of one of the countries listed in the appendix 'Exemption from the obligation to undergo a tuberculosis (TB) test'. Nor does the obligation to undergo the test apply if you have an EU residence permit for long-term residents issued by another EU country or are his/her family member and were already admitted to another EU country as a family member of the long-term resident.

EXPLANATION OF THE REQUIRED FINANCIAL DOCUMENTS FOR THE RESIDENCE PERMIT APPLICATION

The IND has very strict guidelines for the proof of financial means. It is very important that you follow these guidelines exactly, otherwise your application may be denied, or at the very least seriously delayed.

Required amount per month	
Preparatory year:	€ 957.87 (excluding tuition fee)
Exchange students / Erasmus program:	€ 957.87
Regular full-time students:	€ 957.87 (excluding tuition fee)

You need to show that you will have a minimum amount of € 957.87 every month for living expenses (please note: this amount is excluding the tuition fee and the immigration fee). There are several ways to prove sufficient means for costs of living in the Netherlands, depending on your financial situation. All documents must be drawn up in Dutch, English, German or French. The educational institution has to keep all records.

The student has sufficient financial means on her/his own bank account.

If you can show proof of sufficient financial means on your own, there are two options: you transfer €11.500 to the Codarts bank account. The Codarts bank account information can be found in Attachment 1 part 2 of this document.

The legal costs for immigration are €210. After you arrival you will receive the rest of your money back on your Dutch bank account.
