
Please prepare the following. We will make a selection during your entrance exam:

- Show at least a level of a graduate BM keys student
 - Playing a classical piece (level: Bach – two-part inventions or Kleine Präludien und Fughetten).
 - Playing a song from the jazz repertoire (with band).
 - Playing a song from the pop repertoire (with band; employing different sounds).
 - Performing one's own composition.
 - Sight reading of simple sheet music (notes and chords).
 - Repeating chords and melodic excerpts by ear.
 - Improvising over a given chord progression.
 - Playing a few major and minor (authentic, melodic and harmonic) scales over 2 octaves.
 - The applicant is able to convincingly explain the focus of his/her research topic/project and the connection and relevance to both the keys, the craft and the pop practice.
-
