#### **Where can I find information about auditioning for the bachelor Circus Arts?**

Our up-to-date audition information can be found [here](#) under Admission.

#### **From which date on can I apply for an audition?**

Registration for the auditions open from November 1, 2021 till February 1, 2022. Information can be found [here](#).

#### **Where and when can I audition?**

Dated 28 November, 2021 - For now, the auditions will take place from 11 to 14 April 2022 in the Circus Arts building Fenix 1 in Rotterdam. When invited every candidate is expected to be available on all five days. Due to the current Covid-19 situation we might have to change to an online audition if necessary. You will be informed of the result of the pre-selection by the 1st of March 2022. Don't book your flight until we invited you for the audition and when you do, please make sure you double check the conditions in case of cancellation.

#### **How does auditioning work in times of Covid-19?**

At the moment we expect to have live auditions, which has our preference. If it turns out that the Covid-19 situation withholds us completely from live auditions, we will fully change to online auditions. When this happens, our Administrative Service Centre will inform everyone registered (via Studielink) by e-mail.

#### **How do I register for an audition?**

Registration for the audition happens by applying for our pre-selection. [Here](#) is explained how to do so and what to hand in by e-mail. Next to the pre-selection application every candidate also has to apply in Studielink: find the information [here](#). In case you registered for audition and live auditions are cancelled, you will be informed via e-mail.

#### **I come from a non-European country, how do I audition?**

For candidates coming from non-European countries, participating in the live audition still has our preference. When this is not possible due to circumstances the candidate needs to ask clearly for a video audition in the application e-mail. The rest of the application procedure takes place in the exact same way as for the live audition. The audition committee will decide if a video audition is agreed based on the pre-selection results. The candidate will be informed of this by the 1<sup>st</sup> of March 2022.

#### **Do you have an open day?**

This season we will have a live open day on Saturday 27 November 2021. We also plan to have an online open day, that will take place in December 2021. Please check our website under [Events](#) for more information. More information and/or subscription for this day can be done [here](#).
