

POLICY STUDENT EXCHANGE CODARTS CIRCUS ARTS

- In principal the exchange student will be placed in the first year.
- We only accept students coming from schools that are member of the FEDEC and who meet the technical level of the first year.
- Student can only apply for one specialization. A combination of several specializations is not possible.
- Exchange is only possible for the circus techniques that are offered (see audition criteria 2022-2023 on our website).
