## ADMISSION REQUIREMENTS

---

### Organ

---

### Classical Music

---

### Master

---

#### General

- Affinity for the organ, its repertoire, history and future.
- Sufficient piano study.
- Sufficient pre-condition and will for personal development as an interpreter and musician.

#### Specific

- Perform a programme of approximately 30-45 minutes, featuring works in at least two different styles (one from them a piece by J.S. Bach) on a good Bachelor's exam level.
- Add a description of your initial research subject and the related selection of compositions you want to study in the Master of Music.
- Deliver your repertoire list.
